

## **Course: Privacy - Canada**

ForestersCampus.com

Every day, applicants, our members and our fellow employees provide Foresters with some of their most personal information. Foresters is committed to protecting the privacy and the confidentiality of the personal information that we collect and to ensuring that personal information that is collected remains accurate, confidential and secure.

The Privacy - Canada course is designed to provide a general overview of Canadian privacy legislation and your privacy obligations and responsibilities as a Foresters employee.

### **The course consists of the following units**

Unit 1 - Overview

Unit 2 - PIPEDA's 10 Privacy Principles

Unit 3 - Foresters Responsibilities

Unit 4 - Member Rights

Unit 5 - Member Questions, Complaints and Requests for Access to Information

### **Evaluation Process**

At the end of each module, there is a quiz that each course participant must challenge and successfully complete with a passing grade before continuing to the next content module.

### **Course Duration**

The course is self-paced so course duration will depend on the individual participant and their prior knowledge base with the course subject matter. On average, the course will take between 1-2 hours to complete
